I'm going to stay at my family house in Chichibo for 3 days.

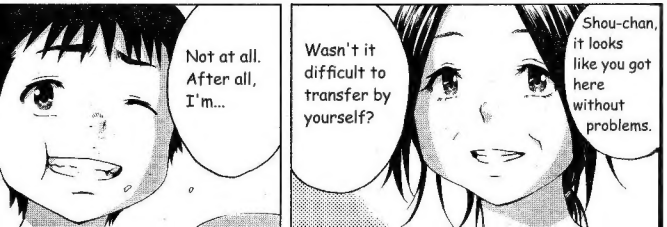
But leaving a kid alone while going on a business trip... that guy is really terrible!
This deep-fried stuff is delicious!
ホロ



Not at all. After all, I'm...
Wasn't it difficult to transfer by yourself?
Shou-chan, it looks like you got here without problems.

...not a child anymore, right?
.....
I'm not talking about that anal stuff!!
The spare room is under repair and Mutsuki's room is...
Let's see...
By the way, where will he sleep?
and I thought that Shou-chan would stay small and cute forever...
What a shame
Ahaha... I'm still a kid you know!
...filled with cardboard boxes, right?
phew!

Then why don't you sleep with uncle?
whahaha haha!
Eehm... if it's okay I'll take the hallway...
Shou-chan, you can stay in my room.
Is that okay?
Of course.
Because I got to stay in Shou-chan's room last time.
It will be a bit constrained; sorry about that.
Weellll... that's completely okay...
ahaha...
Is it okay... for me?

Shou-chan, is over there okay?
yeah
Shou-chan, at what time do you want to wake up tomorrow?
At about 4:30.
That early?
I'm sorry, you used to like catching bugs with father, didn't you?
No, I've been entrusted with self-research now.
I see.

I'm so nervous that I won't be sleeping at all...

Heeh... I want to see it!
I wanted to show it to shou-chan, so I took it out.
At that time you came by very often.
Do you remember?
Yeah. I'm sure that at that time...

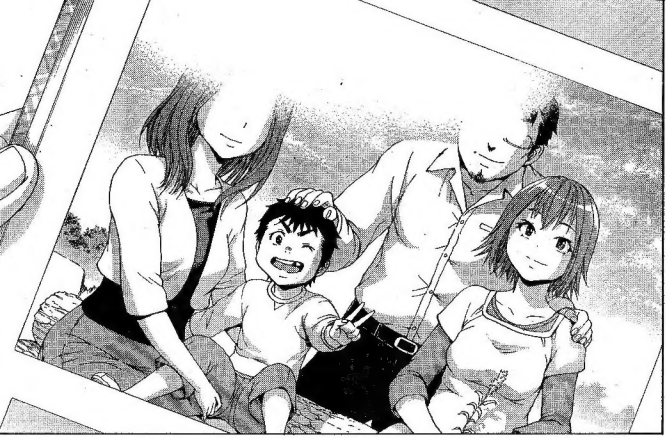
Wow! It's me!
So small!



Dad was also young.
